

How to use Talk it Over:

Talking through the message during the week helps you and your family / friends turn what God is saying to you into action steps.

Pastor Tim's Main Idea:

For all who are seeking Christ that will satisfy their hunger completely, we extend the ultimate invitation to dine at the table with Christ.

Key Questions:

- Who are the various people sitting at the table and how does the church relate to them?
- What are some ways that we as a church can invite others to partake of Jesus Christ?
- How can we as a church encourage people to grow in Christ and maturity after becoming new believers ?
- If one of the characteristics of a mature believer is someone who is making new disciples, what does that look like?

Next Steps

- Which chair do you see yourself sitting in and what will it take for you to move to the next one?
- Reflect on people that God has put into your life to invite to the table and pray about your next step with them?
- What can you do to support the church in reaching the various people at the table?

B. New _____

"For though by this time you ought to be teachers, you have need again for someone to teach you the elementary principles of the oracles of God, and you have come to need milk and not solid food. For everyone who partakes only of milk is not accustomed to the word of righteousness, for he is an infant. But solid food is for the mature, who because of practice have their senses trained to discern good and evil. Therefore leaving the elementary teaching about the Christ, let us press on to maturity."
